

Friday May 1, 2007

Students and Parents,

Three years ago we received brand new marching uniforms for the Bulldog Brigade. They were a hit on the field. They were very classy and we achieved that new look we were going for. In order for us to keep this look for several years to come, students have certain care and maintenance guidelines that they need to follow concerning the uniforms.

- Students must sign the uniform contract before being issued a uniform.
- All uniforms will be taken home and washed after every performance. After washing, hang up your uniform properly. **
- Students are responsible for keeping up with all parts of their uniform. Any lost articles will be the responsibility of the student. (*see uniform contract*)
- Do not store shoes and other bulky items in your uniform bag.
- If your uniform needs repair, please fill out a uniform repair tag. If you need something repaired before Friday night or Saturday, please fill out the uniform repair tag Monday morning.

Guidelines for wearing your uniform properly:

- No jewelry or ball caps while in uniform. This policy is in the handbook.
- All hair must be tucked into your hat.
- Keep your sash on your uniform at all times.
- Plumes must be turned in after every performance.
- Students must pay for gloves before they receive them. We do not hand out loaners.
- Shakos are to be worn a particular way. We will show you how to wear them.
- Any student who cannot follow these directions will lose BR points for each infraction committed.***

We look forward to a great season this year!

Sincerely,

Jessie Morlan
Director of Bands

Emme L. Hines
Assistant Director

** **Washing Instructions:** Wash coat and pants in cold water with like colors. **Do not wash sash.** Hang up to dry.

Uniform Contract

2007 - 2008

By signing this contract I understand that it is my responsibility to care for and maintain my band uniform to the best of my ability. I understand that if there are any damages or lost parts to my uniform I am responsible for repairing and replacing parts of my uniform. I also understand that I will not be issued a band uniform unless my contract has been completed and returned to the Thomson High School Band by Thursday September 14, 2006.

By signing below I agree to all guidelines of my uniform care and maintenance.

Student Signature: _____

Parent Signature: _____

This section will be completed in the spring when student's uniforms are returned.

I have returned my uniform in the condition I received it. I have washed my uniform and taken care of any damages and/or missing parts.

Student Signature: _____

Date Returned: _____
